Introduction

My name is Viktor Szőke and I have been studying Computer Engineering at Budapest University of Technology and Economics. My main interests are web- and mobile app development, but I am also interested in UX/UI design.

I have 4 years experience as a Frontend Developer.

Experience

● 2021 - Present

SnapSoft

Frontend Developer, Budapest

I work here mainly as a frontend developer, but sometimes I do backend stuff. My main tasks included creating, testing and communicating with the client. I used the following technologies: Angular, Swagger, Cypress, NestJS, RXJS, Redux, TypeScript

● 2018 - 2021

EN-CO Software Kft.

Frontend Developer, Budapest

I worked here as a frontend developer and as a team leader. My main tasks included creating, testing and write documentation. I also participated in mentoring students and delegating tasks. I used the following technologies: Angular, ASP.NET Core, Swagger, Cypress, NodeJS, RXJS, Redux, TypeScript

● 2017 - 2017

Eastron Kft.

Software Tester, Budapest

I worked here as a manual software tester. This was a student work for summer.

Education

● 2020 - 2022

Budapest University of Technologies and Economics (MSc)

● 2015 - 2020

Budapest University of Technologies and Economics (BSc)

Languages

Hungarian - Native

English - B2 Certificate
